MEMORANDUM FOR THE RECORD

Morning Meeting of 27 August 1968

25

Godfrey noted that Svoboda and Dubcek are slated to speak to the Czechoslovak public today.

Godfrey drew attention to the enemy shelling of the provincial capital of Bao Trai.

25

Bross noted that the Director's annual report to PFIAB on the intelligence community is due sometime in October. He suggested that the report concentrate this year on problems of coordination of current intelligence within the community.
